

Animals Get Ready

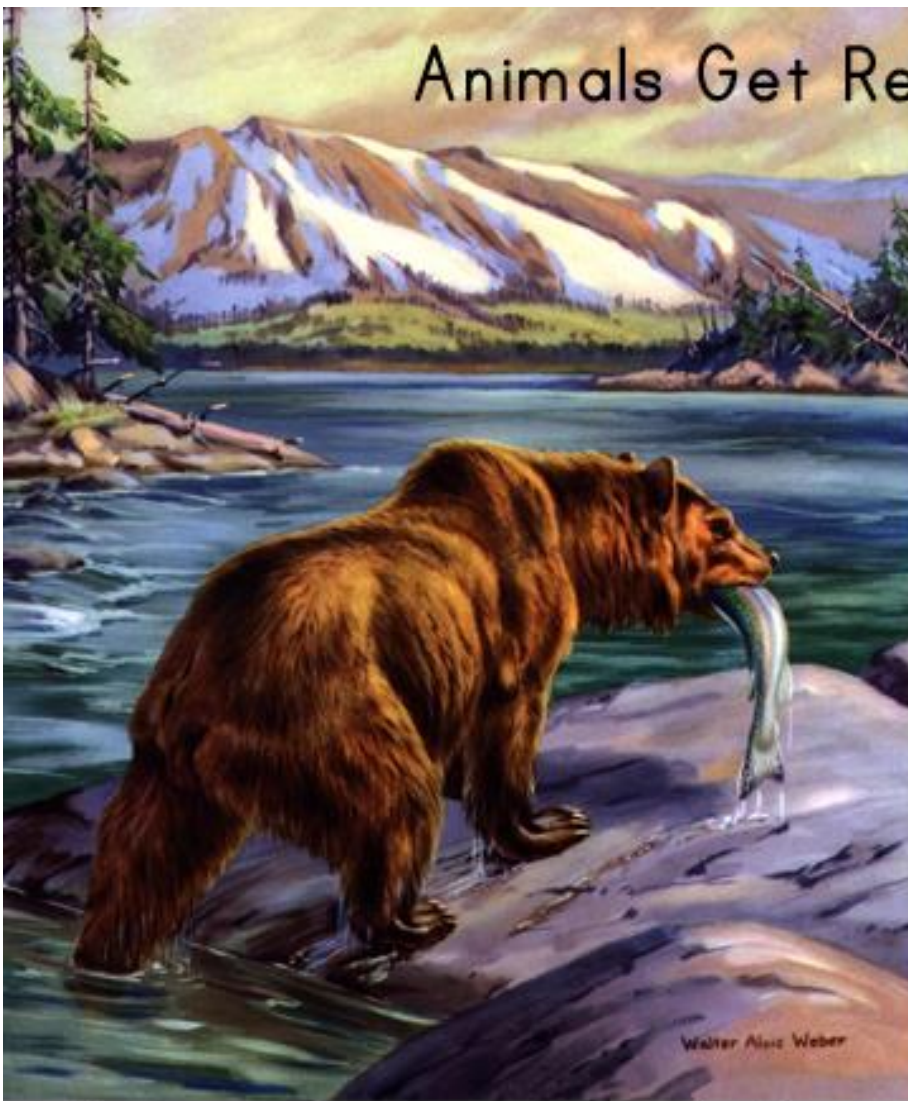

It's autumn.

It's getting
cold outside.

The leaves are
changing color.

Soon, it will be
winter. The
animals are
getting ready.

Bears are getting ready for winter. They are catching salmon in the rivers. They will sleep when winter comes.

Squirrels are getting ready for winter. They are gathering nuts in the trees. They will eat the nuts when winter comes.

Geese are getting ready for winter. They are flying south for the winter. They will be warm when winter comes.
